RACE POLICIES

Race Waiver. All participants and volunteers must sign a race waiver. Any participants under the age of 18 must have a waiver signed by a parent or legal guardian. All online registrations include the race waiver.

Walkers. Walkers must walk! Participants who are registered as a walker and are competing in the walking category must walk at all times. Walkers are not permitted to run at any time, including the final stretch to the finish line. Runners may walk if needed, but walkers can never run. Speed walking is fine, but both feet can never leave the ground at the same time. Walkers who are caught running will be moved to the running category and will not qualify for winning in the walking category.

Safety. All participants are expected to adhere to all signs and safety instructions given. The course will not be closed to traffic with the exception of certain spots. Police officers, firefighters, and volunteers will be available on the route to help monitor traffic. All participants are expected to follow any instructions given by any law enforcement or volunteer traffic control personnel.

Dress Code. We simply ask that you dress in a manor that is appropriate for a family-friendly event. Running shirtless is discouraged. Defining Moment Events reserves the right to remove any participant that is dressed distastefully.

Bib Numbers/Timing. Bib numbers must be visible at all times. Bibs must be worn on the front of the body. Race timing is provided by Southern Race Timing LLC. Awards are given based on official time results.

Runner Courtesy. Please be considerate and respectful of other participants at all times. Please remember these common running courtesies while on the course:

- When running in groups, try not to be more than 3-4 abreast so that others can pass as needed.
- Refrain from spitting or blowing your nose in a way that could hit other runners.
- Use phrases like "on your right" or "on your left" when passing other runners.
- Move over for faster runners to pass.
- Do not stop abruptly to tie your shoe or to drink water.
- BE KIND...It's always worth it.
